

SCHOOL GROWTH PLANS

Background

School growth plans and reporting are integral components of District planning and reporting.

Procedures

1. All school growth plans must satisfy the requirements outlined in the District's criteria for approval of school plans.
2. The Principal must ensure that school growth plans are prepared in collaboration with staff, the Parents' Advisory Council, and, where appropriate, students.
3. School growth plans inclusive of results achieved, are to be updated and submitted in written form to the Superintendent annually.
4. School growth plans are to be submitted by the Superintendent to the Board annually.
5. School growth plans must be made available to the parents of students attending that school and will be posted on the school website.
