

District Science Fair Results – 2017

School District 67 would like to offer congratulations to all students who participated in the District Science Fair on March 9, 2017. The feedback received from judges was incredibly positive – they left inspired from their conversations and were very impressed with the level of science and scientific reflection from our young scientists.

AWARD	STUDENT	PROJECT TITLE	SCHOOL
Top in Fair	Grant Mansiere	Why Do Trembling Aspens Tremble?	Summerland Secondary
Top Communicators	Anders Say and Curtis Nickel	Les Dispositifs	KVR Middle
Societal Impact	Kate Piche	Le Changement	KVR Middle
Backdrop	Katie Kay	Lava Lamp	Parkway Elementary
Outstanding Data	Grant Mansiere	Why Do Trembling Aspens Tremble?	Summerland Secondary
	Jacob Becker	Skate Hard, Smell Less	Summerland Middle
Most Reflective	Kadance Standish	How Microwave Radiation Affects Different Organisms	KVR Middle
Unique Question	Julia Mansiere	Do Bean Leaves Catch Bugs?	Summerland Middle

Congratulations to these special award winners and the other students who are moving on to represent their schools and our District at the Central Okanagan Regional Science Fair in April.

We would like to take this opportunity to say a huge thank you to all the volunteers, teachers, administrators and sponsors that make our Science Fair a huge success.
