

Welcome to
SCHOOL DISTRICT No.67 (Okanagan Skaha)

School District No.67 (Okanagan Skaha) has approximately 7000 Kindergarten to Grade 12 students attending 19 schools. We have three secondary schools in the district.

Our high schools continually rank highly based on government exam results in the Okanagan valley.

International students will be taught the British Columbia curriculum of studies (Dogwood) by professional teachers. They not only prepare students for provincial course credit and post-secondary studies but also provide for the individual needs of students. ESL instruction is included.

What will you study?

Okanagan Skaha schools offer a comprehensive program including English, Mathematics, Arts, Sciences, Music, Technology, Physical Education and English as a Second Language (ESL). Please view the district website at <http://www.sd67.bc.ca> for the full course selection.
