**United Nations Pilgrimage**

Summerland Secondary student Lindsey Richardson has been selected as the Okanagan representative for the IOOF/Rebekah Youth Pilgrimage to the United Nations. The UN Pilgrimage brings together two hundred high school students from around the world (mostly North America and Europe) to study and learn about the United Nations. Students will spend five days in New York which includes a tour of the UN and visits to other significant sites in that city (the Itinerary generally includes tours of Washington BC, the Gettysburg battlefield, Niagara Falls, Ottawa, Ontario and Boston). The United Nations Pilgrimage lasts two weeks during the month of July. Lindsey spoke about the trip and the essay she wrote as part of the application process. Chairman Little thanked Lindsey for her presentation and congratulated her on being selected as one of two students from British Columbia and one of 20 representing Canada at the United Nations Pilgrimage.

## Pen High Salute

With the transition from the 'old school' to the 'new school' occurring in September, Penticton Secondary School is preparing plans to host a community celebration to acknowledge the 'closing' of the old buildings. Rick Willie, Chair of the Pen High Transition Committee, and Principal Peter Corcoran outlined activities for the evening event planned for June 17, 2008 at 5:30pm. The program will consist of the presentation of lifetime achievement awards, a multimedia presentation, a tour of the school, a 'Taste of Penticton' by seven restaurants and the PSS foods class, and entertainment. The evening will celebrate the accomplishments of the school and community during the past 100 years. It is expected that five hundred alumni, past teachers, and community members will attend. Presold tickets are \$15 per person and available from the school.
