

School District No. 67 (Okanagan Skaha)  
**PRESENTATIONS AT THE BOARD MEETING**  
**October 1, 2007**

**StrongStart Centre**

Early Childhood Educator Brenda Barber provided information related to September start-up for the StrongStart Centre at Queen's Park Elementary School. The centre offers a free drop-in program for parents or caregivers and their children. They are involved in activities (including stories, music, and arts) to help children grow linguistically, physically, and socially, and become comfortable in a school-like setting.

The centre quickly outgrew its space following the June opening and has now doubled its space to accommodate more than one hundred families that are using the centre.

Following a number of questions, Ms. Barber was congratulated on a successful program and thanked for the presentation.
