**Family Literacy Day Celebration**

Caroline Pennelli, Community Literacy Outreach Coordinator for the South Okanagan Similkameen, highlighted plans for the first Family Literacy Day Celebration to be held on Saturday, January 24, from 10:00am to 5:00pm at the Cherry Lane Mall in Penticton. This is part of the work by the Community Literacy Committee that created the first Community Literacy Plan entitled *A Tapestry of Stories*. Ms. Pennelli also distributed copies of newsletters and brochures to groups in the community, and advised a community directory is being developed listing all literacy opportunities in the area. Trustees extended appreciation to Ms. Pennelli for her presentations and for the work completed to date.
