**PRESENTATIONS AT THE BOARD MEETING**

**School Calendar**

Katie Filek from Penticton Secondary School conducted a presentation on the school calendar. The calendar concept, design and completion was the work of this grade 11 leadership student. The calendar was developed as a way to raise the profile of student artwork as well as raise money for artwork in the new school. Katie began work on the calendar in March and included an elementary, middle, and secondary school to show the full range of student talent. She chose the three schools based on a desire to include schools from all areas in the district and solicited sponsors to offset costs for the calendar. Approximately \$2000. was raised through the sale of the calendar. Following a number of questions, Katie was congratulated for her idea, artwork, and leadership endeavour in producing the calendar.

## Community Literacy Plan Update

Danielle Robinson, Literacy Co-ordinator. Director of Instruction, Lynn Hauptman explained that SD67 is a part of the South Okanagan Literacy Now Task Force working to build a community literacy plan. Last July, the task force hired Danielle Robinson as the literacy co-ordinator to facilitate the community consultations and work with the committee to set goals, make an action plan, and submit a Community Literacy Plan. This plan will be submitted to 2010 Legacies Now to qualify for a substantial grant that will be used to bolster literacy capacity within our community. Ms. Robinson highlighted the work of the task force, gave examples of how literacy is involved in the community, and provided the future action plan of working towards workplace literacy and health literacy. A celebration of the community literacy plan's completion will be held in January 2008.
