

School District No. 67 (Okanagan Skaha)

**KVR**

Middle School/École Intermédiaire

300 Jermyn Avenue, Penticton, B. C. V2A 2E1

Phone (250) 770-7600 and Fax: (250) 770-7610

Principal: Steve DeVito Vice-Principal: Michelle Glibbery

**September 2019**

## Administrators' Message

Hello to all members of the KVR community; both returning and new! We hope that you have enjoyed a full and relaxing summer. September is approaching and of course, with it, comes the promise of another exciting school year. KVR is a wonderful place... we have a dedicated staff, amazing students, and truly supportive parents who work together to make this a great middle school. We are excited to welcome many new members to our community in grades 6, 7, and 8. The purpose of this 'early edition' of our newsletter is to provide you with some information about what's been going on over the summer, introduce some new members of our community, and help answer any questions about the September start up. We are eagerly anticipating the new school year and are looking forward to re-connecting with all the members of our community!

Mr. DeVito and Ms. Glibbery

### First Day

Schools re-open on **Wednesday, September 4<sup>th</sup>**, which is a half day. Classes begin at 8:37 and students will be dismissed at noon. Grade 6 students will report to the gym for a brief assembly. At this assembly, they will be introduced to the grade 6 team and teachers will call their classes and lead them to their classrooms for introductory activities.

Grade 7 and 8 students will report to the multipurpose room where they will find their divisions and then report to their classrooms. For more information regarding opening day, supply lists, and calendar please visit our website. Students should not bring school supplies on the first day. They may bring their supplies once they are issued a locker.

Bus students are reminded that buses will run 3 hours earlier than normally scheduled... i.e. a bus scheduled to leave at 3:10 will leave at 12:10.

### Divisions

Please respect the staff's thoughtful work (during June, July and August) in creating balanced classrooms regarding gender, ability, and appropriate learning environments. To this end, **we will not be taking any requests for class transfers or placement.**

### PAC Meeting

We need you! Your first Parent Advisory meeting will be held on **Wed., Sept. 11<sup>th</sup> at 6:00pm** in the library. Come and join us! PAC meetings occur on the second Wednesday of every month at this time. Being a member of our PAC is a great way to get involved in our community.

### Open House

Please join us for our annual 'Open House' on Thursday Sept. 19<sup>th</sup> from 6:30 – 7:30 pm. This is a great opportunity for families to check out our school, classrooms, and say hello to your child's teachers. Everyone is welcome and there is an ice cream treat waiting for all who attend! This event is sponsored by our PAC. An information table will be set up by the Public Health Nurses regarding their immunization program.

### Visitors to KVR

In order to keep our community as safe as possible it is expected that anyone visiting KVR **during school hours** (8:34 am – 2:56 pm) must check in at the office. Visitors will be assigned a pass to wear while in the building. Please be respectful of this policy.

## KVR Clothing

Please check out our display case in the school entrance for a variety of clothing items available to order. KVR hoodies, tee-shirts, and sweatpants are very popular. We also have KVR Socks! Order forms are available in the office

## Welcome New and Returning Staff!

We are pleased and excited to welcome some new (and returning) staff to KVR. Joining our Grade 6 team we have Ms. Sydney Kemp. New to our Grade 7 French Immersion team we have Mrs. Melissa Burdock, Mrs. Tracy Wu, and Mr. Sean Cargin. Mrs. Katie Naish will be teaching Computers and Gr. 8 Science. Mr. Blake Palm will be taking over our music program. Ms. Natasha Stutz will be our new librarian. Also, Mme. Barb Cutjar will be returning to KVR after a year in Australia.

## Canadian Parents for French

really, really!!!

### **WE NEED YOU!**

Your local Canadian Parents for French (CPF) Chapter is hard at work. Highlights of the 2018/2019 school year were:

French Theatre Workshops  
Graduation Bursaries  
Middle School Awards  
Graduation Luncheons  
Carnaval D'Hiver  
Student Trip Bursaries

Minimal time commitment, enhance your kid's French learning experience and advocate for your kids.

Come out and see what we are all about...no French skills required ☺

Our next meeting is  
**Wednesday Sept 18th, 2019 at 7pm in the KVR Library**

Everyone welcome! Please join us!

Like us on Facebook:  
Canadian Parents for French - Okanagan/Skaha Chapter, BC SD67

## Bagged Lunch

The bagged lunch program is supported and subsidized through our school district. This program is needs based and can be confidentially accessed through Mr. DeVito. Please let us know if this is a service your family needs to access. Service will begin on Sept. 9<sup>th</sup>. Application forms for this helpful program are available in the office.

## Registration for busing – Important information

School District 67 has moved to an online bus registration system that can be found at <http://www.sd67.bc.ca/Parents/BusReg>. You must fill out a registration form in order for your child to ride the bus for the 2019-2020 school year. Students who have registered will receive a bus pass with their assigned stops. Late registrants will be placed based on available space.

Your student number is required for registration. If you do not know your student number, please check your child's report card or contact the school. If you do not have access to online registration, please go to the District Maintenance Office to register in person, at 1295 Commercial Way.

## KVR is a Closed Campus

As stated in our planners and in accordance with School District #67 policy, KVR Middle School is a **closed campus**. All students in grades 6-8 are expected to remain on campus unless signed out by a parent or guardian. Sign in and sign out procedures are in place to ensure student safety. See Mr. DeVito or Ms. Glibbery if you have any questions.

## Lunch Services

At KVR we do not have a cafeteria program. Students are expected to bring their own lunches to school. However, throughout the year we do provide limited service as fund raising programs for our different teams. For example, the grade 8 team brings in pizza on Fridays. Options are pepperoni, ham & pineapple, and cheese. The pizza we order has a whole wheat crust and is in compliance with 'Healthy Schools.' Students must pre-order before school on Fridays to receive pizza at lunch and is \$2.50 / slice. Also, Subway lunch is available on Tuesdays. Subway orders must be placed through School Cash Online only. Subway lunches will begin in October. We will provide you with information regarding other food services as it becomes available.

## RCMP Youth Liaison Officer

In an effort to increase positive and preventative connections with youth, we now have a RCMP Downtown/Youth Liaison Officer who will have more of a presence in our Penticton schools.

Constable Dave Dixon will visit our school campus and will be working to get to know our students! Welcome Constable Dixon!

## Kids & Teens in Control

The Mental Wellness Centre received an \$8000. grant from Telus to fund Kids & Teens in Control. These programs aim to support children and youth who have a parent with mental illness and/or addiction issues. The sessions run over eight weeks and provide education and coping strategies to participants. Please contact Ms Glibbery if you would like more information or if you feel your child would benefit from this support.

## Student Handbook & Code of Conduct

In accordance with the Ministry of Education's guidelines, KVR Middle School has revised our school code of conduct. Each student will be provided with a code of conduct as an insert in their planner handbook. As well, it will be posted in our school's entrance and on our website. Teachers will be reviewing this information with their classes at the beginning of the school year. Please take the time to go through our code of conduct and discuss this very important information with your child.

## All Gender Washroom

KVR has a single stall washroom to meet the needs of anyone who prefers to use it. This is a private bathroom that is located on the first floor.

## KVR Photo Day

Our School Photo day is scheduled for **Tuesday, Sept. 17<sup>th</sup>**. All students will have a photo taken for our yearbook. Parents may purchase packages when the proofs are sent home in October. Re-takes will occur on **October 17<sup>th</sup>** for students who missed the first photo date. Parents wishing to have their child get a retake photo must prepay at that time.

## Bikes, Skateboards, and Scooters!

While we appreciate that, for many students, riding bicycles, skateboards, or scooters are healthy options for transportation, we have the following expectations around safety and security.

- During the busy times before and after school students should not be riding on school property. Please walk bikes and carry skateboards and scooters.
- Students should always be wearing helmets when riding. We ask parents to support us in encouraging this.
- We cannot be responsible for lost or stolen items. If something does get stolen, we will assist in trying to recover the item but can't guarantee its return. Good quality bike locks are a necessity!
- Students must use the bike racks outside and it is strongly recommended that they use a lock. KVR is located in a high traffic area and we have had several items stolen. Unfortunately, even using a lock does not guarantee security.
- Skateboards and scooters are not permitted in the building. If students are unable to lock these securely to the bike rack we do have limited storage in an outside room. This room is locked throughout the day but is not monitored.
- If you have any concerns about the security of your child's bike, skateboard, or scooter we would encourage that they be left at home.

We would like to thank Swagman for providing some supplemental bike security cables!

## Immunization Survey for Interior Health

In an effort to improve immunization services for families, Interior Health is conducting a survey of parents or guardians of children. Completing all or part of the survey is voluntary (you can skip questions you don't want to answer). The survey will not ask you to provide personal information about yourself or others. All answers will be kept confidential. The survey takes approximately five minutes to complete. You may access the survey at this link:

<https://www.surveymonkey.com/r/DTNNGV5> If you have further questions, you may contact: [Immunizationprogram@interiorhealth.ca](mailto:Immunizationprogram@interiorhealth.ca)

## Aboriginal Education Program

School District #67 is pleased to offer a district wide Aboriginal Education Program for aboriginal students from K-12. The purpose of this program is to enhance academic achievement and to increase cultural learning opportunities for students.

One of our Aboriginal Enhancement Agreement goals is to increase the awareness of aboriginal history and culture by both the aboriginal and general population of students in schools across the district. We do this by offering school wide cultural events such as a District Pow Wow, Metis cultural performances, and aboriginal theatrical productions. In addition, we put on an annual aboriginal cultural event called Building Cultural Bridges to teach elementary students about various aspects of aboriginal culture in Canada.

Aboriginal students who were in the Aboriginal Education Program in the 2018-19 school year will continue to be in the program for this coming school year unless parents notify the school. New aboriginal students to the school will be given a consent form to fill out. Please complete and return the consent form to school as soon as possible.

**If you are wondering if your child is eligible to participate in the Aboriginal Program, please contact Allen Beckingham, Principal of Aboriginal Programs at 250-770-7700 ext. 6453 for more information.**

## Smoke Free Environment

KVR is a smoke free environment. Smoking and vaping are not permitted anywhere on school district property. This includes our school parking lot.

## Fall Sports at KVR

Students are encouraged to get involved in extracurricular activities at KVR. Athletics is an excellent opportunity for many. Please listen to announcements and watch the *Athletics bulletin board* for information. The following sports are traditionally held in the fall. Please note that we are looking for parent volunteers to help with coaching. If you are interested please e-mail our Athletic Director, Ms. Tank at ltank@summer.com.

- Cross Country Running – All students
- Gr. 6, 7, & 8 Volleyball (boys and girls)

## Canadian Tire Jumpstart

Jumpstart is committed to ensuring kids in need have equal access to sports and physical activity – an equal chance to be their best. Parents can access the application at

<https://jumpstart.canadiantire.ca/pages/apply>

## KVR Breakfast Program

Once again we are very pleased to announce that KVR will be offering a breakfast program for our students. This program is run by parent volunteers and is sponsored by generous donations from other community members. Last year, Skaha Ford was very generous with financial contributions and staff members who volunteered in our breakfast kitchen! The purpose of this program is to ensure that **all** students have the nutrition needed to engage effectively in learning. This program is meant to support students in need but is not exclusive. This program is also always looking for volunteers to help out. If you are interested, please inform our office staff.

## Dropping Off , Picking Up, and Idling Cars

Parents are reminded that the area directly in front of KVR on Jermyn Ave. is a ‘no-stopping zone’. Please do not stop to drop your child off in this area. It is not safe to do so. RCMP do monitor this and will ticket violators. Please plan a suitable drop off/pick up location out of this zone. Also, there have been many complaints about idling vehicles waiting to pick up students from KVR. If you are waiting in your vehicle please turn your engine off to help reduce emissions.

## Newsletter Distribution

As we are all becoming more environmentally responsible we will continue our practice of **e-mailing** the monthly newsletter home. To reduce our carbon footprint, we will not send a paper newsletter home with each student. However, if you prefer a paper copy of our newsletter, please inform Lorrie Smith at [lsmith@summer.com](mailto:lsmith@summer.com) (or 250-770-7600) and provide us with your child’s name and teacher and we will ensure a copy is sent home. We also post newsletters on our website...

## Counsellor's Corner

Welcome to the new school year at KVR! As the school counsellors, we are looking forward to reconnecting with last year's students and meeting our new students.

Middle school is a time of transition, and students face social and personal changes, as well as academic demands. Here are some things that parents/guardians can do to help:

- Listen to your child's observations about school (whether positive or negative)
- Respond to difficulties with affirmation (rather than judgment), for example "That must be hard for you"
- Remind your child that any change can be difficult and requires an adjustment period; assure them that things will likely feel different in a little while
- Encourage them to let you know daily how they are doing, and ask them to look for one or two things that are positive every day

The middle school years are a time of tremendous change for our students. As they move into adolescence, they experience shifts in their emotional life, friendships, interests, thinking skills, and physical maturity. It can be a demanding transition for both students and their families.

Counselling is available at KVR Middle School to assist students as they encounter social and emotional challenges. Common concerns include: friendship difficulties, transition to new grade and teachers, anxiety/depression/school avoidance, changes in family relationships, losses, self-esteem building. Sessions are confidential, and available through self-referral, or by referral from teachers or parents. In addition to individual counselling, at times referral to community based agencies is recommended.

Please feel free to contact us at any time.

## Student Insurance

### **Kids Plus™ Accident Insurance**

For your convenience, we've made arrangements for families to voluntarily purchase student accident insurance through the Kids Plus™ Accident Insurance program, underwritten by Industrial Alliance Insurance and Financial Services Inc (iA Financial Group).

Kids Plus™ Accident Insurance offers protection against the unexpected costs of injury from accidents, and is especially valuable for families who:

- do not have medical or dental plans,
- have limited plans, as it may help supplement health and dental benefits, or
- have active children who enjoy sports and outdoor activities.

For complete plan details, please visit [kidsplus.ca](http://kidsplus.ca).

**Kids Plus™**  
Accident Insurance

### September and October Dates to Remember!
