

## **IMPORTANT: SCHOOL SUPPLIES INITIATIVE FOR 2019/2020 SCHOOL YEAR**

**\*\*PLEASE READ CAREFULLY AS THERE HAVE BEEN CHANGES\*\***

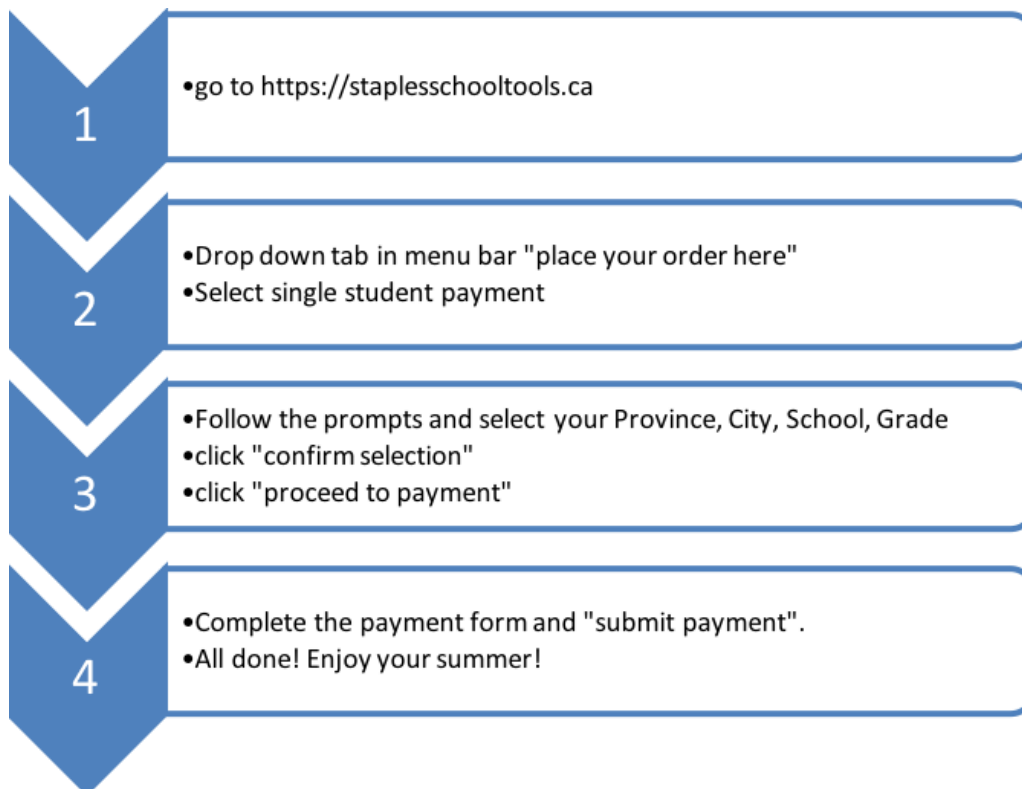

Dear Parents/Guardians,

School supplies for all students will be ordered directly through Staples School Tools and delivered to all classrooms before the start of the year. Come September your kids will go to their new classroom and supplies will be there ready for immediate use by the kids. This initiative is used for cost savings, recyclability where possible, and for consistency, simplicity and efficiency in the classrooms. Your orders will be placed in store **OR** online as per the instructions below. All orders must be received by July 31<sup>st</sup>. There will be no orders accepted past this date as Staples will now be collecting all payment and this is their deadline.

Many hours have been spent reviewing class supplies lists, research and product testing, and pricing supplies to ensure we are all getting the same specific quality products for great pricing. Student supplies fees will fluctuate from year to year depending on suppliers and economic variances.

Costs vary per grade as seen on the School Tools Website
