

# Greetings from the 2011 Dry Grad Committee

Hello to all Summerland Secondary School families!

As in past years, this year's graduating students have the amazing opportunity to organize and to participate in their own Dry Grad event. This event will be a fun-filled evening in which the grade 12 students will celebrate their many years together in a safe, supervised environment.

We, the students and parents of the 2011 Dry Grad Committee, are asking for your support in making this year's event a memorable one. On the back of this newsletter are order forms for grocery vouchers from **Nester's Market** and for coffee from **The Beanery Coffee Company**. By ordering these products through the 2011 Dry Grad Committee, you will be supporting both this year's Dry Grad event and two of our local businesses.

**Nester's Market.** By shopping at Nester's Market, you can contribute in two ways.

- 1) **Grocery vouchers:** The 2011 Dry Grad will receive 10% on all vouchers that you purchase through the committee. For example, if you purchase \$200 in Nester's vouchers, you will have the entire \$200 to spend at the store, and the SSS Dry Grad will receive \$20 from Nester's Market. Simply drop off your order form with your payment (re: Nester's vouchers) at the school office or to a grad parent. The Dry Grad Committee will then have your vouchers to you within a week. This fundraiser will be available throughout the school year, so please re-order your Nester's Market vouchers.
- 2) **Nester's points:** Please consider donating your Nester's points to the SSS Dry Grad the next time you are at the check-out. Your kindly donation will go towards purchasing food and refreshments for the Dry Grad event.

For further information, please contact Lisa West at [lwest@summer.com](mailto:lwest@summer.com)

## **The Beanery Coffee Company.**

The Beanery Coffee Company has generously provided us with the opportunity to raise \$4.00 for every bag of their delicious coffee ordered through the 2011 Dry Grad Committee.

If you wish to order, please drop off your order form with your payment (re: Beanery coffee) to the school office by Thursday, **November 18<sup>th</sup>**. Your coffee will be ready for you at the report card pick-up on Thursday, **November 25<sup>th</sup>**. If you are unable to pick-up your coffee at this time, please contact Robina Parkinson at [robina.p@shaw.ca](mailto:robina.p@shaw.ca), and arrangements for delivery can be made.

For further information, please contact Robina Parkinson at [robina.p@shaw.ca](mailto:robina.p@shaw.ca).

## **Purdy's Chocolates.**

Some of you may have already put in your order with one of our graduating students. In that case, thank you so much and enjoy your chocolate! For those of you, who have not had this opportunity, please ask a grade 12 student that you know for their Purdy's catalogue and order form. You don't know a grade 12 student? No problem. Please contact Robina Parkinson at [robina.p@shaw.ca](mailto:robina.p@shaw.ca) or at 250-583-9140, and she would be more than happy to assist you. **Order deadline: November 15<sup>th</sup>**.

**The students and parents of 2011 Dry Grad thank you for your support!**
