

## SUMMER SCHOOL 2018!

As you make plans for your summer, please remember that Summer School is a fantastic opportunity for students to strengthen the learning that has occurred over the past 10 months. Summer School for Middle School students is designed to provide remedial support to students who received a failing grade in the areas of English, Social Studies, Science or Math. These courses are not intended to replace a full course, but rather to provide extra instruction and support. All courses are taught by fully qualified School District No. 67 teachers and are designed to cover provincial learning outcomes in a variety of subjects. Students who have participated in Summer School in the past have enjoyed the time they have spent and felt good about what they have learned.

**Summer School courses will be funded by the Ministry of Education and School District No. 67.**
